

## Create a Bible Memory Plan

You will be most successful at memorizing Bible chapters if you have a plan. Here are the segments of time you'll need to plan for and schedule in your day:

10 - 15 min for drawing your memory map – **Dedicated Time**

30 - 45 min for listening and repeating WHILE USING AT YOUR MEMORY MAP – **Focused Multitasking Time**

10 min each for Forwards or Backwards tracks – **Multi-Tasking Time & can be done multiple times per day**

30 min for the Backwards and Forwards Track – **Multi-Tasking Time & can be done multiple times per day**

15 - 20 min to independently write/type/voice type in your device, review and correct – **Dedicated Time**

### What is your goal for Bible memorization?

- Are you eager to store as much of God's word in your mind as fast as you can?
- Would you like to memorize but you believe you don't really have the time?
- Would you like to memorize 1 Chapter per week? 1 Section per week? 1 section per day?
- You may want to try to memorize a few sections first to determine what is realistic for your schedule.
- The first few sections might take longer as you are figuring out the system and how these activities can fit into your day. So, take courage if you are just beginning this strategy! It will get much easier and faster as you learn the system!

### Sample Daily Memorization Plan:

Daily Activities	Duration of Activity	Plan for Memorization
Morning devotion	+ 15 min	Add an extra 15 min of <b>Dedicated Time</b> to prepare Memory Map
Getting ready for work	30 min	<b>Focused Multitasking Time</b> listen & repeat with Memory Map
Eating Breakfast	15 min	<b>Focused Multitasking Time</b> listen & repeat with Memory Map
Driving to work	30 min	Listen & repeat without Memory Map of course!
Eating Lunch	30 min	<b>Focused Multitasking Time</b> listen & repeat with Memory Map
Driving home from work	45 min	Listen & repeat without Memory Map of course!
Preparing dinner	30 min	<b>Multitasking Time</b> Forwards/backwards/both without Memory Map
Washing dishes & cleaning up	30 min	<b>Multitasking Time</b> Forwards/backwards/both without Memory Map
Relaxation time coloring your <i>Great Controversy Coloring Book</i>	60 min	<b>Multitasking Time</b> Forwards/backwards/both without Memory Map
Evening devotion	+ 15 min	Add an extra 15 min of <b>Dedicated Time</b> to check your learning
Getting ready for bed	10 min	<b>Multitasking Time</b> Say verses independently (without audio) & aloud
Going to sleep	10-30 min	Play the Backwards and Forwards audio recording and review as you fall asleep. Your brain will process the verses while you sleep!

- Now you can see how simple it is to add our Bible Memorization System to your busy day! With the above plan, you can easily learn one section per day!
- You will only have to carve out about 30 minutes of time to prepare your Memory Map and review what you learned. The rest of your memorizing time will be while you are multitasking.
- Now let's find some time in your day when you can implement our Bible Memorization System!!

## My Personalized Bible Memorization Plan

Daily Activities	Duration of Activity	Plan for Memorization

- Most of us have mobile phones and ear buds. Using your mobile phone and our exclusive system will make it easy to memorize while you complete your other tasks.
- Remember you can do multitasking Bible memorization when you are raking leaves, shoveling snow, pulling weeds, mowing the lawn, vacuuming, folding laundry, washing dishes etc.
- Also remember to memorize during waiting times such as when you are in line at the checkout, when you are in the waiting room at your doctor's appointment, riding the train, waiting in the airport, etc.
- Make this a fun family activity! You can challenge each other, practice together, and recite your verses around the dinner table!
